

Your Healthcare Connection

April 2024

Hello Spring! We hope that you and your family are enjoying the sunshine and warmer weather!

In the News ?

Why do my drug costs change throughout the year? And will they change again next year?

Good question! Your drug costs can change throughout the year depending on which phase of Part D coverage you are in. There are four different phases of Part D coverage including deductible, initial coverage, coverage gap (donut hole), and catastrophic phase. Changes for 2025 part D coverage have been released as well.

Are you worried about out-of-pocket expenses with your Medicare Advantage plan?

In the event of a major medical event, you may incur some medical expenses that you weren't prepared for. Hospital Indemnity plans can offset these costs by reimbursing you. Reach out to your Kentucky Health Solutions agent or click the button to the right to learn more about these plans!
